"Water is the most critical resource issue of our lifetime and our children's lifetime. The health of our waters is the principal measure of how we live on the land."

- Luna Leopold, *Hydrologist*

"The best way to predict the future is to invent it."

- Alan Kay, *American Computer scientist.*

An added component to the Essex Region Children's Water Festival since 2008 is our Environmental Careers Day for secondary students. This is an excellent opportunity for your students to explore a career in an environmental field. 2010 Field trip options include Point Pelee National Park, Essex-Windsor Solid Waste Authority's Regional Landfill, Essex Region Conservation Authority or Ministry of Natural Resources.

Choice of field trips will be on a first come-first served basis.
